CAREER OBJECTIVE

I am a Computer Science undergraduate with basic knowledge of C, Python, R, HTML, CSS, and JavaScript. I am eager to gain practical experience and improve my technical skills through an internship opportunity. I am a quick learner who is willing to adapt, grow, and contribute positively to a team while building real-world experience in the tech industry.

EDUCATION

Bachelor of Science in Computer Science

Aug 2023 - Aug 2027

GITAM (Deemed to be University), Visakhapatnam

PROJECTS / ACADEMIC PREPARATION

- Implemented AI problem solutions including **Vacuum Cleaner Problem, Monkey Banana Problem, and Shortest Path using BFS**, focusing on intelligent system design and state-space search techniques.
- **Conceptualized Armor Band** – a smart wearable safety solution, designed to enhance personal security through features such as GPS tracking, emergency alert mechanism, and real-time location sharing.

TECHNICAL SKILLS

Languages: C, Python, R Language (Basic Data Analysis)

Soft Skills: Team Work, Leadership, Deadline Adherence

- Computer Networks Fundamentals
- Operating Systems & Scheduling Algorithms
- Microsoft Office & Documentation

CERTIFICATIONS

AWS Training and Certification

March 2025

- Introduction to Generative AI - Art of the Possible
- Generative AI For Executives

Infosys Springboard

June 2025

- Introduction to Data Science
- Introduction to Natural Language Processing

AREA OF INTEREST

- Web Development
- Artificial Intelligence
- Data Science
- Machine Learning
- Software Development
